### York Central Hospital: Phase One Redevelopment and Renovation Project

Phase One of the major expansion and renovation project has added new and freshly renovated areas across the facility to offer our patients and their families the best services in comfort and privacy. Highlights of the project include:

#### **In the Douglas Storms Wing:**

- NEW Renovated Outpatient Mental Health Areas (level 3)
- NEW Chemotherapy and Medical Day Unit (level 2)
- NEW Ambulatory Care Clinics (level 2)

#### **In the Langstaff Wing:**

- NEW Family Birthing Centre (level 5)
- NEW Inpatient Medical Unit (level 4)
- NEW Schedule One Inpatient Mental Health Unit including 5 new secured beds (level 3)
- NEW Medical Imaging Department (level 2)
- NEW Fracture Plastics and Ophthalmology Clinics (level 2)
- EXPANDED Day Surgery Unit (level 2)
- NEW Auditorium and learning spaces (level 1)
- EXPANDED kitchen and receiving areas (level 1)

#### **NEW Town of Richmond Hill Wing:**

- NEW Home of the York Regional Chronic Kidney Disease Program (Dialysis) (level 1)
- NEW Emergency Department (level 2)
- NEW Inpatient Medicine Unit, including Coronary Care Unit (level 3)
- NEW Critical Care Unit (level 5)

#### **Project Details:**

- Estimated cost of \$93.2 million
- Size: Additional 148,230 sq. ft.
