## R.A.P.T. in Health for York Central Hospital

On March 5th The Inaugural R.A.P.T. (Rise Above Powerful Together) in Health Luncheon was held at the world renowned Eagles Nest Golf Club. Members from the York Central Hospital Foundation and R.A.P.T. in Health Committee members and supporters along with keynote speakers: Beverly Thompson, Co-host, Canada AM and Breast Health Advocate and Leslie Beck were present at the all day event.

Guests heard various speeches throughout the day and the program included a singing performance by Daniel Panetta, a scarf demonstration by Natalie of Hermes Toronto Boutique, and a dance performance by Rugcutterz Danz Artz, choreographed by Kim Barker. Some great prizes were given away at the end of the day.

Proceeds from the event will help fund York Central Hospital's new Breast Health Centre. The Breast Health Centre is a 10 room, 2,000 square foot facility that includes a private waiting room, diagnostic screening suites, state-of-the-art Digital Mammography, and Ultrasound technology
