

## **History in the Making: New Partnership Creates Most Comprehensive Integrated Facilities Management Solution In Canadian Healthcare History**

**WHAT:** A **Press Conference** to launch York Central Hospital's partnership with Sodexo for the provision of food services, housekeeping, plant operations, service response centre, security, linen and laundry services – creating the most comprehensive Integrated Facilities Management (IFM) Agreement in Canada.

Free Booster Juice, Starbucks refreshments and **Photo Opportunity**

**WHO:** **York Central Hospital Senior Leadership:**  
Bruce Harber, President and CEO  
Bill Whittaker, VP, Human Resources and Support Services

**Sodexo Canada Senior Leadership:**  
Greg Nordal, President  
Stephen Simms, Vice President of Healthcare

**WHEN:** **Thursday, June 21, 2007 at 1:00 p.m.**

**WHERE:** York Central Hospital Atrium, Centre for Continuing Care and Rehabilitation, 10 Trench Street in Richmond Hill (northwest corner of Trench and Major Mackenzie)

**WHY:** ***The face of health care in Canada is changing.*** The expectations of patients, hospital employees and visitors have also changed as they look for more personalized services. York Central Hospital is creating a new kind of community hospital where patient-focused care includes creating the best possible patient care environment.

York Central Hospital is preparing for this future right now by partnering with Sodexo to implement an Integrated Facilities Management (IFM) solution for everything from environmental services, food services, plant operations to security and linen. This

partnership will create the most comprehensive IFM implementation of any hospital in Canada.
