

## York Central Hospital Honours Volunteers

Volunteers at YCH took center stage last night at the hospital's annual Volunteer Awards Night.

In addition to volunteer service awards for new and long serving volunteers, several volunteers were recognized for their outstanding service to YCH.

Winners of the Outstanding Service Awards for 2008 are Monika Chapman, Norman Gillanders, Eileen Green, Enid Mills, and Joan Smith.

Volunteer Services Coordinator Anna Daigle said she considers it a privilege to be able to work with the hospital's many volunteers.

"I feel they set an example for me to follow when I get to the point where I'm able to volunteer," said Daigle. It amazes me how committed they are."

More than 170 volunteers attended the event to celebrate National Volunteer Week runs from April 27 to May 2.

Below are a few photos from the event.
